

TikTok 30-Day Plan — Billy & Bolt

One page. Stick it up. No guilt calendar.

Channel: TikTok only **Hours:** 4–5 / week **Target:** 3 posts/week (floor 2) **Tool:** bolt day --decide

Post TikToks that feel like “Billy & Randy’s nerdy life + exclusive stuff,” often enough that money and pride can follow — without a second job’s stress. Pattern first. Paycheck is the sequel.

THE ONLY LOOP

clip → hook → post TikTok
(trending sound OK)
→ note what worked → next

TIME (4–5 HRS/WK)

Block	Time	Do
A. Decide	45–60m ×1–2	bolt day --decide
B. Post	60–90m ×1–2	1–2 verticals → TikTok
C. Learn	20–30m ×1	Last 3 posts: one note
D. Joy	protected	Randy / nerdy life first

NOT THESE 30 DAYS

Twitch schedule · multi-platform every post · affiliate quotas · follower deadlines · milestone calendars · perfect audio
Fear fix: post → improve one small thing → post again.
Silence feeds embarrassment.

MONEY (HONEST)

Stage	Looks like
Now~60d	Pattern + formats that work
Later	Small signals → real income

Schedule posts. Money follows proof.

FOUR WEEKS

Week	Posts	Focus
1 Fog	2	Decide 2×. Post 2. Note: what felt easiest?
2 Loop	3	Same loop. One upgrade only: hook text <i>or</i> shorter (~25s).
3 Us	3	≥1 Billy + Randy / exclusive / nerd-trip energy.
4 Proof	3	+ 10-min review (below). Pattern = win, not paycheck.

TODAY (20 MIN)

- bolt day --decide
- Pick one clip
- TikTok + trending sound + one line on screen

CONTRACT

TikTok only · 3 posts/wk (floor 2) · 4–5 hrs · gaming + Randy exclusives · post anyway · **pattern wins**
